Dear Jane,

I want to thank you for your support of the Jazz Jams in the past, and I would be very happy if Leon County would come on board as a partner again this year. I would be requesting \$2,000 as I have in the past.

Last year we served 10,000 children with concerts and jazz education. I am attaching a list of observations by children from Buck Lake Elementary. Their remarks assure us that we are making a difference both for the children and toward preserving the jazz legacy.

Would you be so kind as to put me on the agenda for the appropriate meeting where I can officially make my request?

I hope you've had a relaxing summer and I wish you the very best.

Sincerely,

Margaret Van Every
